

Kinetic
by Nishaun Smith

I have been right and been wrong,
on the path I've traveled long.
How to speak and how to learn?
Where to greet, when to adjourn?
There is motion to and fro.
Found and lost, where'er I go.
I know what I see and hear
and what is or wasn't there.
Spirit of the Life do come.
To bring truth and life to some.
