

Oh, Shield me  
by Nishaun Smith

I sinned like all other men,  
I asked for forgiveness then.  
Again, I have sinned again,  
again, I have sinned again.

How long before I choose good,  
before I do what I should,  
till I live like Jesus would?  
Till I live like Jesus would?

Lots of time sinning, I've spent,  
help me to truly repent.  
I need aid from heaven sent,  
I need aid from heaven sent.

I'm feeble I can't withstand.  
I can't be 'lone in this land.  
You hold infinite in hand,  
you hold infinite in hand.

You are omnipotent, hence,  
please shred Satan's influence.  
Oh, shield me with your presence.  
Oh, shield me with your presence.
